

▪ What is the Misalud card?

The **misalud card** is a benefit for the workers of the customer companies of Quirónprevención that allows access under preferential conditions to the Quirónsalud hospital network with its prestigious centres, services and professionals. With it, you can benefit from preferential access to medical appointments with the exclusive telephone number **901 200 123**.

You will have access to a wide range of specialities (ophthalmology, gynaecology, paediatrics, traumatology, cardiology, internal medicine, etc.) and medical examinations at Quirónsalud hospital centers. All this at advantageous prices determined depending on whether the form of payment is private or not. Furthermore, with this card you will have access to advantageous financing conditions, 12 months interest free.

▪ Do I have to show the card in the Hospital?

It is essential that you show the Quirónprevención "**misalud**" **digital card** at the admissions to the centers and hospitals together with your personal identification, so that its benefits and conditions can be applied.

▪ In what centres is the card valid?

The "**misalud**" **digital card** is valid in most of the Quirónsalud Group hospital network, the largest hospital group in Spain and the third in Europe. Through the www.quironprevencion.com and/or by calling telephone number **901 200 123**, you can find the hospitals and centers attached to the card.

▪ What happens if I have medical insurance?

The card is compatible with any insurance company's card, it is not necessary of course to pay for any of the services that you have under your medical insurance cover, however, you can benefit from the prices, discounts and preferences of those private services that are not included in your policy.

▪ What prices does my card give me access to?

The card gives you access to the centres/hospitals of the Quirónsalud Group at exclusive prices, discounts and preferential conditions, for any product or service that you use in any of the Quirónsalud Group hospitals linked to the "misalud" card. The prices are fixed and include medical fees.

- Emergencies 80 Euros.
- Specialist consultations 60 Euros
- X-rays 30 Euros
- Ultrasounds 60 Euros
- CAT 120 Euros

- Magnetic resonance 180 Euros
- Full analysis 60 Euros

▪ **What number do I have to call to ask for an appointment?**

The telephone number **901 200 123** is exclusive to customers with the Quirónprevención **misalud card**, this telephone number is available to you to request a preferential appointment. Don't forget to find the centres/hospitals linked to the card.

▪ **Can I share my card with a family member?**

The card is personal and non-transferable for workers of the Quirónprevención customer companies. Nevertheless, Quirónsalud and Quirónprevención are working on new services that are extendible to family members.

▪ **What are the financing conditions?**

For any medical assistance service or product that you want to use at our hospitals, there are very beneficial payment conditions available to you, even with financing at 12 months interest free, Fixed Borrowing Rate 0,00%, APR 7.51%, Quirónsalud taking care of them (except an initial payment of €30 or €45 for those services with an amount greater than or less than €2000 respectively).

▪ **Is there any type of fee or charge linked to my misalud card?**

No, it is completely free and is only available for those workers of Quirónprevención's customer companies by activating it from the misalud portal or its app.

▪ **Where do I pay for the services?**

The payment for the service where applicable (without medical insurance or coverage exclusions) must be done by the user of the misalud card directly in the hospital.

▪ **Is it necessary to complete the treatment started in the Quirónsalud hospital network?**

No, at any time and without cost you can decide to access public health or another private hospital.

▪ **Who informs me of the quotation for a treatment?**

Usually, it will be the patient care service itself of the Quirónsalud hospitals who, before starting any treatment, will inform you of the fixed quotation with medical fees included.
